### LEGISLATIVE.

The following Bill was introduced into the Council of the Governor General of India for the purpose of making Laws and Regulations on the 3rd July 1867, and was referred to a Select Committee with instructions to make their report thereon in a week:—

No. 16 OF 1867.

*A Bill to enable the Governor General in Council to delegate to a Chief Commissioner powers conferred on a Local Government.*

WHEREAS it is expedient to enable the Governor General of India in Council to delegate to any of the Chief Commissioners of Oudh, the Central Provinces, and British Burmah, any power conferred on the Governor General in Council as the Local Government of the territories under the administration of such Commissioner by any Act of the said Governor General in Council; It is hereby enacted as follows:—

1. It shall be lawful for the Governor General of India in Council, by a Notification published in the *Gazette of India*, to delegate to the Chief Commissioner of Oudh, the Central Provinces, or British Burmah, as the case may be, all or any of the powers heretofore or hereafter conferred on the Governor General of India in Council as the Local Government of the territories under the administration of such Chief Commissioner by any Act of the Governor General of India in Council; and all acts done by the Chief Commissioner, to whom any such power shall have been delegated as aforesaid, in exercise of the same power, shall be as valid as if they had been done by the said Governor General in Council.

2. This Act may be called  
Short title. “The Chief Commissioners’ Powers’ Act.”

### STATEMENT OF OBJECTS AND REASONS.

The object of this Bill is sufficiently stated in the title. The Governor General in Council being theoretically the Local Government of the Territories respectively under the administration of the Chief Commissioners of Oudh, the Central Provinces, and British Burmah, the numerous powers which the Indian Legislature has from time to time conferred on Local Governments, *en nomine*, cannot be exercised by such Chief Commissioners. Hence arise much inconvenience and many delays consequent on the necessity of making references to the Supreme Government. The present Bill, if it become law, will enable the Governor General in Council to delegate to a Chief Commissioner all or any of the powers conferred by an Act of the Indian Legislature on the Governor General in Council, as the Local Government of the territories under such Chief Commissioner’s administration.

The following Bill was introduced into the Council of the Governor General of India for the purpose of making Laws and Regulations on the 3rd July 1867, and was referred to a Select Committee with instructions to make their report thereon in a week:—

No. 17 OF 1867.

*A Bill to amend Act No. XXXI of 1861.*

WHEREAS it is expedient to amend Act No. XXXI of 1861 (*to regulate the manufacture of Saltpetre and the sale of Salt reduced in the refinement thereof*); It is hereby enacted as follows:—

1. Section 6 of the said Act shall be read as if for the words “fine of Rupees five hundred,” the following were substituted (that is to say), “fine not exceeding Rupees five hundred.”

Amendment of Act  
XXXI of 1861, Sec-  
tion 6.

## STATEMENT OF OBJECTS AND REASONS.

Under the Saltpetre Act, No. XXXI of 1861, Section 6, the fine to be imposed on offenders against the Act is fixed at Rupees five hundred, and the convicting Magistrate cannot therefore, according to a recent ruling of the High Court of Judicature at Agra, impose a less penalty under that section. This being obviously inexpedient, the present Bill, which has been prepared at the instance of the Lieutenant-Governor of the North-Western Provinces, simply proposes to substitute the words "fine not exceeding Rupees five hundred," "for fine of Rupees five hundred."

1. It shall be lawful for the Governor General of India in Council from time to time to declare by Notification in the *Gazette of India* that any city or town (other than a Presidency town) from

which Promissory Notes of the Government of India are or shall be issued under the said Act, shall, for the purposes of such Act, be deemed to be situated within such Presidency as shall be specified in that behalf in the said Notification; and thereupon such city or town shall, for the purposes of the same Act, be deemed to be situate within the Presidency so specified.

WHEREAS it is expedient to extend certain provisions of the Indian Penal Preamble. Code relating to public servants to persons in the employment of Railway Companies; It is hereby enacted as follows:—

1. In this Act "Railway Company" means the proprietors for the time being clause. of every railway or tramway situate in the territories vested in Her Majesty or her successors under the Statute 21 & 22 Vic., Cap. 106 (*An Act for the better government of India*), or (so far only as regards British subjects within the dominions hereinafter mentioned) situate in the dominions of Princes and States in the East Indies in alliance with Her Majesty or her successors, and the lessees, representatives and assigns of such proprietors.

3. In the definition of legal remuneration contained in the said Section 161 "Government" to include a Railway Company, the word "Government" shall, for the purposes of this Act, be deemed to include a Railway Company.

Short Title. 4. This Act shall be called "The Railway Servants' Act, 1867."

## HOME DEPARTMENT.

### LEGISLATIVE.

The following Bill was introduced into the Council of the Governor General of India for the purpose of making Laws and Regulations on the 3rd July 1867, and was referred to a Select Committee with instructions to make their report thereon in a week :—

No. 16 OF 1867.

*A Bill to enable the Governor General in Council to delegate to a Chief Commissioner powers conferred on a Local Government.*

WHEREAS it is expedient to enable the Governor General of India in Council to delegate to any of the Chief Commissioners of Oudh, the Central Provinces, and British Burmah, any power conferred on the Governor General in Council as the Local Government of the territories under the administration of such Commissioner by any Act of the said Governor General in Council; It is hereby enacted as follows :—

1. It shall be lawful for the Governor General of India in Council, by a Notification published in the *Gazette of India*, to delegate to the Chief Commissioner of Oudh, the Central Provinces, or British Burmah, as the case may be, all or any of the powers heretofore or hereafter conferred on the Governor General of India in Council as the Local Government of the territories under the administration of such Chief Commissioner by any Act of the Governor General in Council;

Amendment of Act XXXI of 1861, Sec. 6.  
Preamble.  
of 1861 (to regulate the manufacture of Saltpetre and the sale of Salt educed in the refinement thereof); It is hereby enacted as follows :—

2. This Act may be called "The Chief Commissioners' Powers' Act."

### STATEMENT OF OBJECTS AND REASONS.

The object of this Bill is sufficiently stated in the title. The Governor General in Council being theoretically the Local Government of the Territories respectively under the administration of the Chief Commissioners of Oudh, the Central Provinces, and British Burmah, the numerous powers which the Indian Legislature has from time to time conferred on Local Governments, *eo nomine*, cannot be exercised by such Chief Commissioners. Hence arise much inconvenience and many delays consequent on the necessity of making references to the Supreme Government. The present Bill, if it become law, will enable the Governor General in Council to delegate to a Chief Commissioner all or any of the powers conferred by an Act of the Indian Legislature on the Governor General in Council, as the Local Government of the territories under such Chief Commissioner's administration.

The following Bill was introduced into the Council of the Governor General of India for the purpose of making Laws and Regulations on the 3rd July 1867, and was referred to a Select Committee with instructions to make their report thereon in a week :—

No. 17 OF 1867.

*A Bill to amend Act No. XXXI of 1861.*

WHEREAS it is expedient to amend Act No. XXXI of 1861 (to regulate the manufacture of Saltpetre and the sale of Salt educed in the refinement thereof); It is hereby enacted as follows :—

1. Section 6 of the said Act shall be read as if for the words "fine of Rupees five hundred," the following were substituted (that is to say), "fine not exceeding Rupees five hundred."

## STATEMENT OF OBJECTS AND REASONS.

Under the Saltpetre Act, No. XXXI of 1861, Section 6, the fine to be imposed on offenders against the Act is fixed at Rupees five hundred, and the convicting Magistrate cannot therefore, according to a recent ruling of the High Court of Judicature at Agra, impose a less penalty under that section. This being obviously inexpedient, the present Bill, which has been prepared at the instance of the Lieutenant-Governor of the North-Western Provinces, simply proposes to substitute the words "fine not exceeding Rupees five hundred," "for fine of Rupees five hundred."

WHEREAS it is expedient to extend certain provisions of the Indian Penal Code relating to public servants to persons in the employment of Railway Companies; It is hereby enacted as follows:—

1. In this Act "Railway Company" means the proprietors for the time being of every railway or tramway situate in the territories vested in Her Majesty or her successors under the Statute 21 & 22 Vic., Cap. 106 (*An Act for the better government of India*), or (so far only as regards British subjects within the dominions hereinafter mentioned) situate in the dominions of Princes and States in the East Indies in alliance with Her Majesty or her successors, and the lessees, representatives and assigns of such proprietors.

2. Every officer and servant of a Railway Company shall be deemed a public servant within the meaning of Sections 161, 162, 163, 164 and 165 of the Indian Penal Code.

3. In the definition of legal remuneration contained in the said Section 161 "Government" to include a Railway Company. the word 'Government' shall, for the purposes of this Act, be deemed to include a Railway Company.

4. This Act shall be called  
Short Title. "The Railway Servants' Act,  
1867."

### LEGISLATIVE.

The following Act of the Governor General of India in Council received the assent of His Excellency the Governor General on the 18th July 1867, and is hereby promulgated for general information:—

#### ACT No. XXXII of 1867.

*A Bill to enable the Governor General in Council to delegate to a Chief Commissioner powers conferred on a Local Government.*

WHEREAS it is expedient to enable the Governor General of India in Council to delegate to any of the Chief Commissioners of Oudh, the Central Provinces, and British Burmah, any power conferred on the Governor General in Council as the Local Government of the territories under the administration of such Commissioner by any Act of the said Governor General in Council; It is hereby enacted as follows:—

##### 1. It shall be lawful for the Governor General of India in Council, by a Notification published in the *Gazette of India*, to delegate to the Chief Commissioner of Oudh,

Governor General in Council empowered to delegate to Chief Commissioners powers given to Local Government by Act of Governor General in Council.

heretofore or hereafter conferred by any Act of the Governor General of India in Council on the Governor General of India in Council as the Local Government of the territories under the administration of such Chief Commissioners; and all acts done by the Chief Commissioner, to whom any such power shall have been delegated as aforesaid, in exercise of the same power, shall be as valid as if they had been done by the said Governor General in Council.

2. This Act may be called  
Short title. "The Chief Commissioners' Powers' Act."

The following Act of the Governor General of India in Council received the assent of His Excellency the Governor General on the 18th July 1867, and is hereby promulgated for general information:—

#### ACT No. XXXIII of 1867.

*A Bill to amend Act No. XXXI of 1861.*

WHEREAS it is expedient to amend Act No. XXXI of 1861 (*to regulate the manufacture of Salt educed in the refinement thereof*); It is hereby enacted as follows:—

1. Section 6 of the said Act shall be read as if for the words "fine of Rupees five hundred," the following were substituted (that is to say), "fine not exceeding Rupees five hundred."

Amendment of Act XXXI of 1861, Section 6.  
WHITLEY STOKES,  
Asstt. Secy. to the Govt. of India,  
Home Department (Legislative).

The following Bill was introduced into the Council of the Governor General of India for the purpose of making Laws and Regulations on the 17th July 1867, and was referred to a Select Committee with instructions to make their report thereon in a week:—

#### No. 18 of 1867.

*A Bill to repeal Act No. XIX of 1866 in the places to which the Madras Salt Excise Act, 1867, may be applicable.*

WHEREAS it was enacted by Section 1 of Act No. XIX of 1866 (*to enhance the price of Salt manufactured and sold under the orders of the Governor of the Presidency of Fort Saint George in Council*), that Section 43 of Act No. VI of 1844 should be repealed, and that, in lieu thereof, the following section should be substituted (that is to say):—

"XLIII. The price to be paid to the Government of the Presidency of Fort Saint George, for salt manufactured and sold under the orders of the Governor of the Presidency in Council, for consumption within the territories subordinate to the same Presidency, shall, from and after the passing of this Act, be one Rupee and eleven annas for every three thousand two hundred and six dozen tolas weight of salt."

And whereas, with the previous sanction of the Governor General of India, a Bill to be called the Madras Salt Excise Act, 1867, has been introduced into the Council of the Governor of Fort Saint George for the purpose of making Laws and Regulations, to enable the Local Government to levy a duty, by way of Excise, on salt manufactured in the districts to which such Act may be made applicable, and there to fix the Salt Excise and Import Duties, and the selling price of salt imported by the Government, at such rates as the Governor of Fort Saint George in Council, with the sanction of the Governor General of India in Council, may, from time to time, determine: And whereas, in order to give effect to the proposed enactment, it is necessary to render the said Act No. XIX of 1866, and the section substituted thereby for the original Section 43 of Act No. VI of 1844, inoperative in those districts to which the said Madras Salt Excise Act, 1867, may be made applicable; It is hereby enacted as follows:—

1. In all districts, or parts of districts, of the Madras Presidency to which the said Madras Salt Excise Act of 1867 may be made applicable, Act No. XIX of 1866 of the Governor General of India in Council and the said Section thereby substituted for the original section 43 of Act No. VI of 1844, shall be held to be repealed and of no effect.

#### STATEMENT OF OBJECTS AND REASONS.

Act No. XIX of 1866 enhances the price of salt manufactured and sold in Madras under the orders of the Local Government from Rupee 1-8 to Rupee 1-11 per 3,200 tolas; and for this purpose, substituted a new Section for Section 43 of Act No. VI of 1844.

In July 1866, permission was given for the introduction of a Bill into the local Legislature of Madras to legalize the adoption of the Excise system of Salt Revenue on the Western Coast of that Presidency, and there to fix, subject to the approval of the Government of India, the rate of duty on imported salt, and the selling price of such salt as the local Government might continue to import and sell at their own dépôts.

A Bill has accordingly been drafted to give effect to this sanction, and provision has been necessarily made in it for the repeal, among other enactments, of Section 43, Act No. VI of 1844, as substituted for the original section 43 of that Act by Act No. XIX of 1866, and also of the latter enactment, so far as regards those districts into which the Excise system may be introduced.

As the Local Legislature cannot repeal Act No. XIX of 1866, which was passed by the Imperial Legislature, the present Bill has been framed. It simply proposes to repeal, in the districts to which the Madras Salt Excise Act, 1867, may be made applicable, Act No. XIX of 1866 and the section thereby substituted.

Distress shall not be made for any arrear which has been due for a longer period than one year; nor for the recovery of any sum in excess of the rent payable for the preceding year for the land in respect of which the arrear is due, unless a written engagement for the payment of such excess has been executed by the tenant.

50. the owner, or if he be absent, affix it at his usual place of residence.

Such application shall be disposed of by the Court according to the provisions of the Code of Civil Procedure. If the Court order security to be taken from the defendant, or that the distrained property be attached, the distress shall be withdrawn from the time at which the order of the Court shall be carried into effect.

59. If the person bringing a suit under section 58 shall fail to procure a decree, or the Court shall consider the distress to have been vexatious under Section 58, or groundless, the Court may award compensation to the defendant, not exceeding twice the value of the property so distrained.

60. A person, whose property has been distrained in the manner hereinbefore provided, may institute a suit to contest the demand of the distrainer immediately after the distress.

61. In all suits instituted to contest the demand of a distrainer, the defendant shall be required to prove the arrear in the same manner as if he had himself brought a suit for the amount under the

foregoing provisions of this Act. If the demand or any part thereof is found to be due, the Court shall give a decree for the amount in favour of the distrainer. If the distraint is adjudged to be vexatious or groundless, the Court,

Compensation for vexatious distraint. besides directing the release of the distrained property, may award such compensation to the plaintiff as it may think fit, not exceeding twice the value of the property distrained.

When any such suit is instituted, the property may be released upon security being given to the satisfaction of the Court for the value of the same property. If the claim is dismissed, the Court shall make a decree in favour of the distrainer. If the claim is upheld, the Court shall order the release of the distrained property, and may award such damages as it may think fit, not exceeding twice the value of the property distrained.

63. No claim to any produce of land liable to distraint under this Act, which produce at the time of the distress may have been found in the possession of a defaulting tenant, whether such claim be in respect of a previous sale, mortgage, or otherwise, shall bar the prior claim of the landlord, nor shall any attachment in execution of a decree of any Civil Court prevail against such prior claim.

64. If in any case in which property has been distrained for an arrear of rent, and a suit has been instituted to contest the demand, the right to distraint for such arrear is claimed by or on behalf of any person other than the distrainer, on the ground of such other person being actually and in good faith in the receipt and enjoyment of the rent of the land, such other person shall be made a party to the suit, and the question of the actual receipt and enjoyment of the rent by such other person, before and up to the commencement of the suit, shall be enquired into, and the suit shall be decided according to the result of such inquiry.

65. If the distrainer shall not bring a suit under Section 58 within the time specified therein, the distress shall be considered null and void, and the property shall be released from distraint.

If distrainer does not sue under Section 58, distress to be void. 66. Crops or products, which from their nature do not admit of being stored, may be sold, cut or gathered, under the orders of the Court, at any time after attachment under Section 58.

67. Any person, whose property has been distrained for the recovery of a demand not justly due, or of a demand due or alleged to be due from some other person, may institute a suit

under this Act to recover compensation for the illegal distress of his property.

68. If any person, empowered to distraint property, or employed for the purpose under a written authority by a person so empowered, shall distraint any property for the recovery of an arrear of rent alleged to be due otherwise than according to the provisions of this Act, or if any distrained property shall be lost, damaged, or destroyed, by reason of the distrainer not having taken proper precaution for the due keeping and preservation thereof, or if the distraint shall not be immediately withdrawn when it is required to be withdrawn by any provision of this Act, the owner of the property may institute a suit to recover compensation for any injury which he may have thereby sustained.

The person so distrainting shall be held to have committed criminal trespass, and shall be subject to the penalties for that offence in addition to any damages which may be awarded against him in such suit.

70. If the case cannot be at once heard and determined, the Court may, if it think fit, require the party arrested to give security for his person, whenever the same may be required, and, in default of such security, may be committed to the civil jail until the case is tried. If the resistance or removal of property as aforesaid be proved, and if the offender be the owner of the property, the Court may order him to be imprisoned in the civil jail until the whole arrear due to the distrainer, with all expenses and costs, shall be paid, or shall be levied by distress and sale of the property of the offender under warrant of the Court: Provided that no such imprisonment shall continue for more than six months. If the person convicted of the offence be any other than the owner of the property, he shall make good to the distrainer the value of the same, and shall further be liable to a fine not exceeding one hundred Rupees, or, in default of payment thereof, to imprisonment in the civil jail for a period not exceeding two months.

#### SCHEDULE C.

Under the provisions of Section 385 of Act No. VIII of 1859, and Section 3 of Act No. IV of 1860, His Excellency the Governor General in Council is pleased to notify that, from 1st January 1862, Act VIII of 1859 is extended to the Province of Oudh, subject to the following exceptions and provisos:—

**1.** Section 3 shall be subject to the following proviso:—

Provided that the Judicial Commissioner or any other Court exercising any appellate jurisdiction within the Province of Oudh, may, at any time within one year from the time of the passing or execution of any judgment or order by any Court subordinate to the said Appellate Court, call for such judgment or proceedings without any regular appeal or application for review having been preferred against the same, and may, if he, or it, shall see sufficient grounds, revise and alter, or reverse or confirm the same. But that in such case, before revising, altering or reversing any one judgment or order, the said Judicial Commissioner, or it, shall cause the same notice to be given to the party in whose favour the said judgment or order was pronounced, and the same opportunity to such party to be heard in support thereof, and the same proceedings to be taken as if a memorandum of appeal had been filed by the party aggrieved thereby.

**2.** Section 17 is excepted, and the term recognized agent is defined as follows, *viz.*, a permanent servant, partner, relation, or friend, whom the Court may admit as a fit person to represent a party, and especially persons holding powers of attorney from absent parties, persons carrying on business on behalf of bankers and traders, managing agents of landholders, nearest male relations of women, and persons *ex-officio* authorized to act for Government, or for any Prince or Chief.

**3.** Section 111 shall be subject to the following limitation:—It shall not be obligatory on the Court to decide *ex parte* in the absence of defendant, but the Court may proceed to compel his attendance under the following rule, being the rule now in force in Oudh:—

*Rule.*—If the defendant does not appear, it shall be at the discretion of the Court to issue a warrant to arrest him and detain him till another day appointed for the hearing of the case, and to attach his property.

**4.** Section 172 So much of this section as requires that the whole of the evidence shall be taken down in writing in the language in ordinary use is excepted, and the record made by the hand of the Judge, under the following rule, being the rule now in force in Oudh, shall be taken as a record of the evidence:—

*Rule.*—An intelligible note of the essential points of the evidence of each witness is to be

taken at the time and in the course of oral examination by the Officer who tries the case, in his own language. The notes must be legible, complete, and properly arranged, must attest the presence of the witness at the time, and mark every postponement and change of time and scene, so that their *bond fide* character may be apparent. Every essential point must be noted, but mere surplusage may be omitted. These notes shall be filed and shall form part of the record of the case: Provided that in cases tried by a European Officer, who has not passed the examination in the Native languages prescribed for Assistant Commissioners exercising special powers, the evidence of witnesses shall also be recorded, at length, in their own language.

Section 205. So much of this section as renders land liable to sale in execution of a decree, will be subject to the restrictions on the sale of land prescribed by the following rule, being the local rule now in force in Oudh:—

*Rule.*—No ancestral property in land shall be sold in satisfaction of a decree, without the sanction of the Judicial Commissioner: and before acquired property in land shall be so sold, the permission of the Divisional Commissioner shall be obtained.

#### STATEMENT OF OBJECTS AND REASONS.

In August 1866 certain arrangements were sanctioned by the Government of India for the settlement of the questions which had long been pending regarding rights of occupancy in Oudh. The nature of those arrangements is described in the correspondence between the Government of India and the Chief Commissioner of Oudh, published in the Supplement to the *Gazette of India* of the 1st September 1866. Those arrangements involved the necessity, on the part of the Government, of cancelling all orders, rules, and circulars which were in force in Oudh, recognizing a right of occupancy in non-proprietary cultivators, and the revision of the rules regarding the hearing of suits in the Summary Courts. The Talukdárs of Oudh at the same time consented that certain privileges should be granted to certain classes of tenants. Legislation is necessary to carry into effect the engagements thus entered into by the Government, and to confirm the concessions made by the Talukdárs. It appears desirable to take this opportunity of placing on a better footing the whole of the law regarding the recovery of rent in Oudh. Much difficulty has been experienced in determining what laws are actually in force in respect of the jurisdiction of the Revenue Summary Courts, and there has consequently been a great want of uniformity in the procedure that has been followed. This has been found to be a serious evil. The practice of the Summary Courts has been loose, uncertain, and dilatory.

Legislation is desirable for another reason. Although the Courts would probably maintain the validity of the rights of occupancy and other privileges which the Talukdárs have consented to grant to certain classes of tenants in their estates, it is doubtful whether similar protection would be afforded to the same classes of tenants in estates not belonging to Talukdárs.

It is desirable that the procedure of the Revenue Courts in Oudh should correspond with that followed in the neighbouring provinces, so far as

this is practicable without injury to any special interests. Those portions of Act X of 1859, and of Act XIV of 1863, which appear applicable to Oudh, have therefore been incorporated in the present Bill.

It is proposed that, with a few modifications and additions, the Code of Civil Procedure shall apply to suits and proceedings under this Act. This is the more desirable since in Oudh the same officers preside over the Civil and Revenue Courts.

Sections 4, 32, 33, 34 and 35, and Sections 22 to 27 of the Bill are intended to confirm the agreements entered into by the Talukdárs in respect of rights of occupancy and other privileges to be enjoyed by certain classes of tenants. The provisions of these sections are not in all respects identical with those contained in the rules to which the Talukdárs originally gave their consent. Although the more important of the alterations that have been made, have been already approved by the Talukdárs, it will be right, before this portion of the Bill receives the sanction of the Legislature, that a reference regarding it be made to the Talukdárs through the Chief Commissioner of Oudh.

Many of the other provisions of the proposed law are of great importance, but it does not appear necessary to notice them in this statement of the general reasons which have led to the introduction of the Bill.
